

2026 AGM Regional Report

The Poetry On The Fleurieu readings have been running at the Coffee & Book Realm for over 18 months and are popular among poets and locals. We have had several Feature Poets and regional book launches over the last year, including New Poets, Coral Carter from Perth and a couple of FSP members.

The Edwards Crossing Writers FSP Meeting at Murray Bridge was held at the 7th Day Adventist Church on 23rd October 2025 and attracted over 20 poets with all submitting poems for the next anthology. The Features for this event were Val Braendler and Ben Adams who were our Editors for that year's FSP Anthology.

The Goolwa Poetry Cup was resurrected for the 50th Anniversary of FSP and held at Yeo Haus in Port Elliot on Saturday 8th November. It was won by Ben Adams. It was a fun event, but due to low numbers of slam poets and audience, the FSP Committee have decided not to run it again.
